

Industrial Analytics from Reservoir to Refinery

8:00 AM

Breakfast & Welcome

9:15 AM

From reservoir to refinery: Spotfire AI and industrial analytics in space and time

10:00 AM

Executive panel: Industrial AI, data, and analytics

Morning Break

10:45 AM

Wider, deeper, faster: Spotfire in energy

11:45 AM

Customer session: Geoscience and subsurface analysis with Spotfire, AI, and reservoir data

Lunch Break

1:30 PM

Dr. Spotfire panel: Foundational tools for the Spotfire energy ecosystem

2:15 PM

Customer session: From data silos to real-time production intelligence: Transforming oil & gas operations with Spotfire

Coffee/Tea Break

3:15 PM

Spotfire roadmap: End-to-end energy intelligence

4:00 PM

Q&A

Evening Reception
